

USER GUIDE FOR THE CHATBOT

SNUBOT helps you to find where the items can be found in the supermarket.

There are **7 shelves** in the supermarket.

You can find the following items in those shelves.

Shelf 1: apples, bananas

Shelf 2: onions, garlic, spinach, potatoes, tomatoes

Shelf 3: milk, butter, yogurt, cheese

Shelf 4: chicken, beef, fish, eggs

Shelf 5: detergent, soap, shampoo, towels

Shelf 6: rice, pasta, beans, bread, oats

Shelf 7: tea, coffee, chocolate
